

# Poway Center for the Performing Arts

## Art Exhibition Application

*"The arts, it has been said, cannot change the world, but they may change human beings who might change the world."*  
-Maxine Greene

The Poway Center for the Performing Arts, owned and operated by the City of Poway, provides artists and residents of Poway and the surrounding region with the opportunity to change the world. Whether sitting in a seat or stepping on the stage, the Poway Center for the Performing Arts has been a beacon of the arts since its inception in 1991 and has allowed patron and artist alike to be transformed by the arts. In addition to the state-of-the-art theatre, the Poway Center for the Performing Arts boasts a grand lobby where artists from throughout Southern California can display their talents and enrich the lives of those around them through their art.

Interested artists may complete this application to be considered for one of the rotating monthly art installments.
